Injured Employee Action Plan Checklist

If an accident or injury occurs on the job, use this as a reference for the steps that need to be followed. This will ensure we have complete information and paperwork.

- Evaluate the injury, if life or limb threatening, go to nearest Emergency Room (someone may need to drive you). If it is NOT an emergency, see attached clinic map.
- Employee must contact their supervisor immediately after the injury. Supervisor will contact Sara Wencil (507-451-1430 ext 5) to report the injury within 24 hours.
- Fill out the accident investigation report. These should be filled out and turned into Sara Wencil within 72 hours after the injury or illness occurs.
- Employee must update their supervisor and/or Sara regarding medical treatment and report on their work status. They may return to work if authorized by the doctor.
